

ADDENDUM NO. 1

December 5, 2018

The following portions of the Bid Documents have been revised:

Attachments:

- Responses to Pre-Bid & Bidder Set #1 Questions
- DemandStar Plan Holder List (as of December 5, 2018)

Any additional questions regarding the bid shall be submitted, in writing, to hwashburn@dadecityfl.com and jdebono@dadecityfl.com by **December 13, 2018**.

Responses to Pre-Bid Questions & Bidder Set #1:

Pre-Bid

1. There is a note on sheet 16 and sheet 17 that says “CONST. 10’ CONC. TRAIL”. Is this correct? There isn’t any other callouts for a concrete trail anywhere else.

This is mislabeled. Both notes should say “CONST. 10’ MULTI-USE TRAIL” as it does on all the other sheets.

2. There is a callout on sheet 20 for “PROP. 6” CONC. RIBBON CURB”, but there isn’t a pay item associated with this. How will this be paid? Is it included in the cost of the pavers?

The cost of ribbon curb is incidental to the cost of the paver installation.

3. The END PPROJECT STATION on sheet 32 is STA. 61+99.96. This appears to be incorrect. The end station appears to be STA. 61+69.96. Please verify.

This is mislabeled (typo). The correct station is 61+69.96.

4. On sheet H-6, there is a 2” callout. The contractor doesn’t know what that dimension is for. Please explain.

The cap dimension is 30”x30”. The column is 26”x26”. The 2” is the overhang dimension in each direction of the cap to the column,

5. On sheet H-7, there is a callout for a “uni-block column”. The contractor doesn’t know what this is. There is also a callout for a 3” pre-cast concrete cap. What is the extra 3” cap above that?

A uni-block column is a standard manufactured column wall detail used as part of a decorative colored concrete block wall system. There are 3 primary vendors that manufactures this. Per FDOT restrictions, we are not allowed to name them. The callout for the 3” pre-cast concrete cap has a smaller 3” “cap” attached to the top. This is common for the uni-block wall detail.

6. Will an engineer’s estimate be provided?

The engineer’s estimate will not be provided.

Bidder Set #1

7. At the prebid meeting yesterday, it was said that the engineer’s budget would not be given. However, on spec book page 11 the below is written. Please advise if this is correct.

“**Budget** - City has appropriated approximately \$807,787.00 for the procurement of the Services covered under this Invitation to Bid. City reserves the right to adjust this amount based on availability of funding.”

This is not the engineer’s estimate.

8. Can the plan holders list be made available?

The DemandStar plan holder list is attached.

Member Name City of Dade City
 Bid Number RFP-1903PK-0-2018/hw
 Hardy Trail Extension (LAP Project) FDOT
 Bid Name FPN 433700-1-58-01
