Members of the Community Redevelopment Agency:

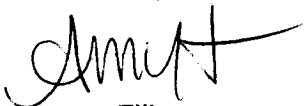

On Oct. 24, the CRA approved exterior grant funding in the amount of \$7,500 to Mr. Mark Taylor for property he owns at 38008 Live Oak Ave. Since that time, Mr. Taylor's wife became very ill and the family had to travel extensively for medical treatments.

Under the grant terms, Mr. Taylor's project was to have been completed by Feb. 24. Due to his wife's illness, Mr. Taylor has requested a two-month extension with the project being completed by April 24, 2007.

As I have just received this request and the Design Review Committee does not meet until next month, I am forwarding Mr. Taylor's request to you directly with my recommendation for approval.

If I can provide any additional information, please let me know.

Sincerely,

Amy Ellis
Grant Administrator
